

## **Insurance Concepts for the Non-Insurance Practitioner**

July 19, 2024 - DCIA board members Mike Teichman and Brian Johnson collaborated in an effort involving a number of insurance practitioners, spearheaded by Rick Eldridge of Intuitive Captive Solutions, to prepare a white paper that might address some of the concerns raised by the Tax Court in a number of recent decisions issued earlier this year. The white paper can be found [here](#) (please note the white paper represents the views of its authors and is not a publication of the DCIA).
